Everything for your Telescope

You are looking for telescope accessories? Ask us. Our range of products is designed to fill all your needs - and in order to offer a better overview we have reorganized the accessory section of our website.

You will find more than 500 products, from AstroSolar Safety Film, Hyperion Eyepieces, RGB- & Narrowband Filters to Zeiss products. Everything detailed into 48 „Sections“.

Just download this PDF at:

www.baader-planetarium.com/section.pdf

Each of the 48 sections on this PDF works as a direct link right into the corresponding section on our website. Just click and you are there
